Have you been looking for that class that you will look forward to all day? The class where you can get up and learn hands on?

We have that class! Learning takes on a whole new meaning at the ATC. The ATC is the place where you can learn to change the oil in your car, start a business, save a life or build and wire a house.

The ATC is full of state of the art equipment using some of the best technology in the fields of automotive, business, carpentry, electricity and health science. Most of our classes also count for college Dual Credit.

WE HAVE THE CLASS YOU HAVE BEEN WAITING FOR!

Visit our website or find us on Facebook for daily updates on what's happening at the ATC and programs or courses offered.
